

BIOLOGICAL RESEARCH REMINDERS

- **Contact EH&S (5-5488) when setting up a new laboratory or moving to a different location.**
- **Submit protocols to Linda Lancaster (5-2671) for review by the Institutional Biosafety Committee before starting a research project.**
- **Review the University of Arkansas Biosafety Manual.**
- **Review the latest edition of *Biosafety in Microbiological and Biomedical Laboratories*.**
- **Make sure necessary training is up-to-date. Contact the BSO (5-3597) or assistant BSO (5-3533) for details.**
- **Use EH&S as a resource!**
