

Memorandum

To:

From: Wayne Brashear
Campus Fire Safety
Office of Environmental
Health and Safety

Date: April 15, 2004

Subject: Arkansas Fire Code and University Policy

Per Arkansas Fire Code and University Policy, it is unlawful to have open flame in any building on Campus, this includes the use of candles, open flame lighting, stoves, and any device which utilizes open combustion for the purpose of generating light or heat.

The use of candles in any ceremony, initiation, ritual, or program when conducted in any building on the Campus is also unlawful and forbidden.
